

KOPENHAGEN FUR

List of commission agents

Some customers prefer to purchase skins through a professional commission agent.

The commission agent's fee will be negotiated directly between the parties concerned and the fee may be added to the invoice if so desired.

The list of commission agents shown below includes a column indicating the languages spoken by the agents.

Please note that Kopenhagen Fur cannot vouch for the correctness of this list nor recommend any individual commission agent. The information has been received directly from the commission agents. Kopenhagen Fur can in no way be held responsible for agreements made between buyer and commission agent.
